

# 1

God is working  
at all times.

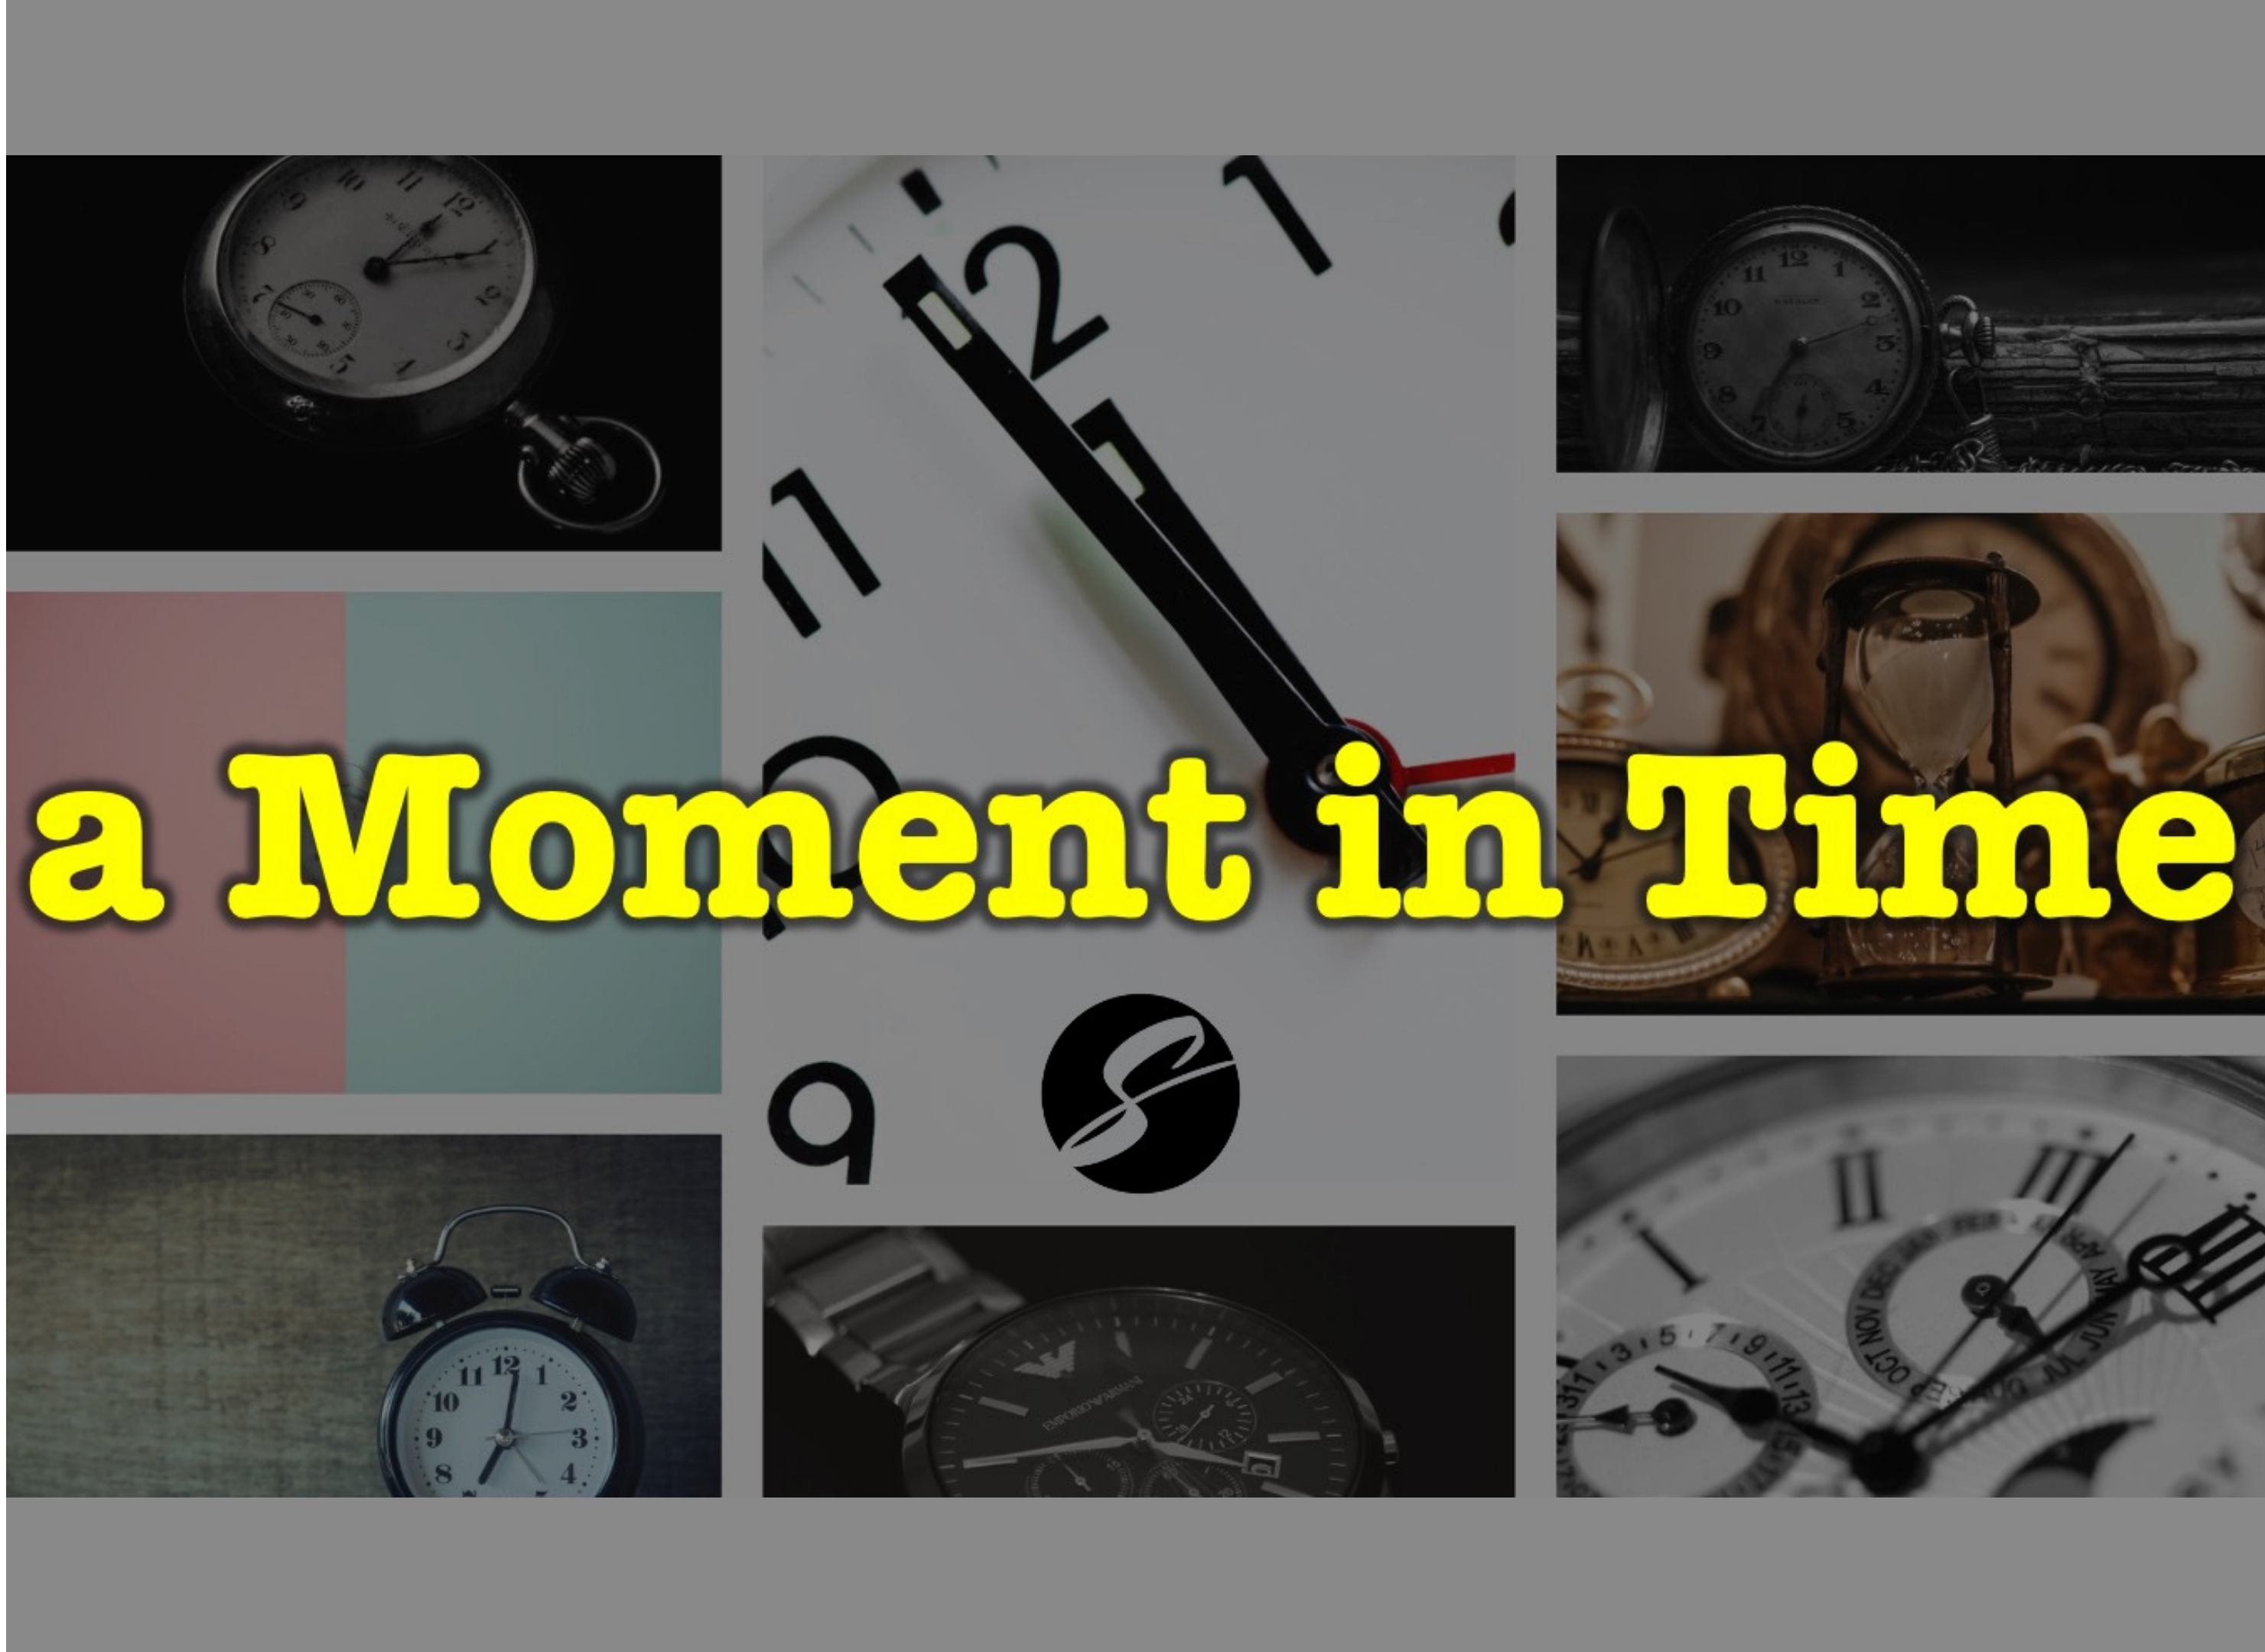

-There are times where it seems  
nothing much is happening.

-There are times of waiting.

-But God is always working in the  
background. Preparing you.

-God is not bound by Chronos. He is  
Lord of all, even the Sabbath. He is at  
work even when we are at rest.

John 5:17

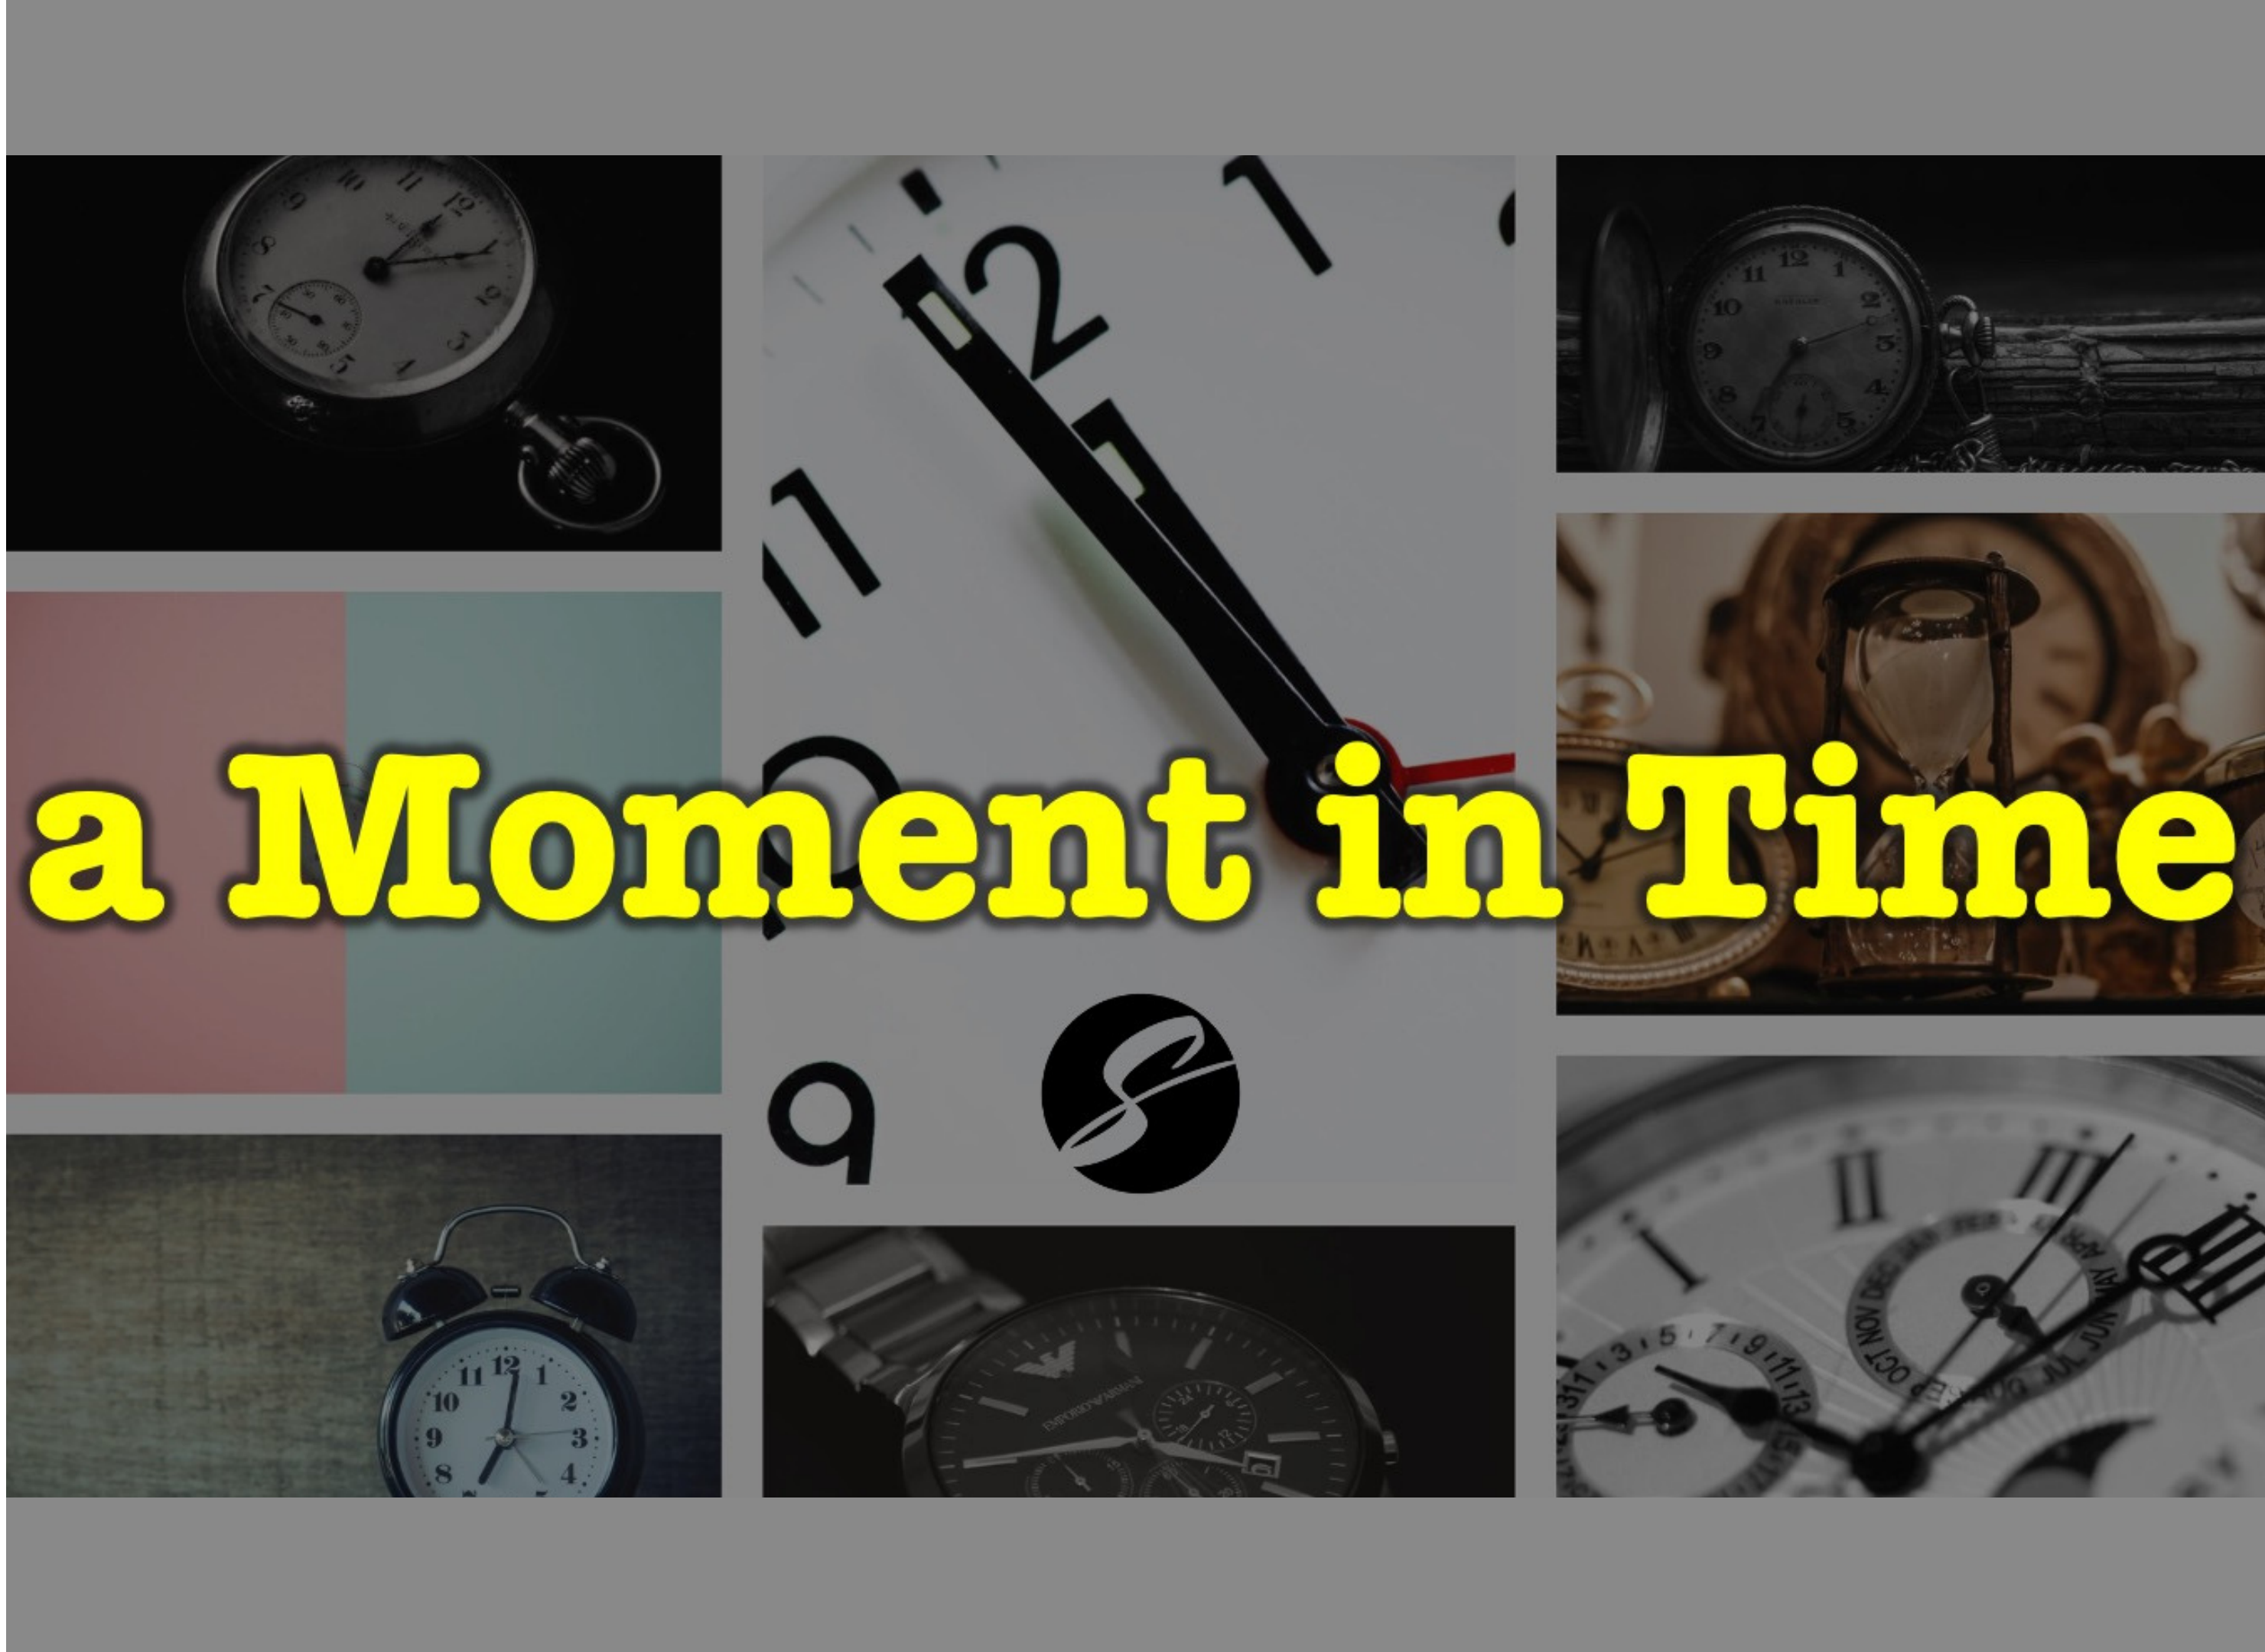

# 2

God uses Kairos  
for  
transformation.

A Kairos is a special window in time. A special opportunity. A special visitation. When all of the pre-requisites are met and the fruit is ripe, when all the work behinds the scenes is complete, God intervenes in our lives to fulfill his purpose.

-When someone accepts their Kairos, it activates many others. John's Kairos, prepared the way for Jesus, and Jesus Kairos prepared the way for the Kairos of the disciples, and then exponential revival came.

Galations 4:4-5, Mark1:14-15

# 3

You must respond to your Kairos.

-Seek the Lord while he may be found. God has a season, a right time for you when things come together in your favor. You must respond decisively.

-When Zacchaeus (Luke 19) had his Kairos moment, he seized it and his life was transformed by Jesus.

-It is possible to miss your window of opportunity. There are consequences.

Isaiah 55:6-7
