Our kids belong
to God.

-The Kingdom of Heaven belongs to children
and those who are like children.

-We cannot treat children like 2nd class
Christians.

-Many key Bible characters were called to
serve God as babies or as children.

-Children are not property, they are a gift. So
we must be careful how we treat them and
how we raise them.

Matthew 19:13-15, Psalm 127:3

We must parent intentionally.

-Having many children was a sign of blessing and fruitfulness. A family, tribe, or nation with many children was seen as blessed. Sons and daughters grow up to be warriors and fruitful members of society.

-Two ways to measure how intentional we are is time spent and our checkbook.

-Satan hates children and their potential so he tries to destroy them in the womb. Let us be careful to not destroy their God-given image or their future by our words and how we treat them.

Psalms 127:4-5

Children learn by modeling.

-More is caught than taught.

-The word of God - it's precepts and its application - must become a priority in our homes.

-You must model it. You cannot take anyone where you have never been.

-If you do so, God says, "I will ensure that each of your "arrows" hits my target for their lives, for theirs is the Kingdom of Heaven."
