

1

Jesus will return
in the midst of
deep darkness.

-The sun will physically
darken, but worse, there will
be widespread darkening of
the heart and mind.

-People will increasingly call
good evil, and evil good.

Matthew 24:29-30, John 3:19

ARE YOU Ready for His RETURN?

2

Heaven is for
who stay wake
and sober.

-Being awake has to do with discernment, reading between the lines and by the Spirit of God understanding what the enemy is doing.

-Being sober, the opposite of being intoxicated with wine or drugs, is about not dulling and escaping our reality.

1 Thessalonians 5:6-8,
2 Timothy 4:3

ARE YOU Ready for His RETURN?

3

The Son of Man
will have for
Himself a great
End-time harvest

-In the days of Jesus the religious rulers and scholars did not recognize or accept the Messiah. However, sinners, prostitutes, publicans, and those humble of heart accepted Him.

-The greatest tragedy would be that many will come into the Kingdom while many of us will bank our salvation on our religion and not "make the cut".

John 1:11-12
