

1

Devote yourself to the Word.

-Without the word you cannot think like God does. the only way to align yourself with the realities of God, is to consume His word.

-When He speaks to you it will always line up with His word, He will speak through His word, and He will confirm it through His word and through different people and avenues.

2 Timothy 2:15, Hebrews 5:12

2

Devote yourself to Prayer.

-Whenever you are among those who pray, you are stirred in your spirit. The prophetic becomes a reality to you.

-Anecdote: Prayer for good weather, for leaders , and for those who the Lord puts on my heart.

Romans 1:9-10, 1 Samuel 10:6

3

Devote yourself to service.

-It is necessary for the church to be task-organized in order to meet the challenges of the church. Our mission is to preach the Gospel, disciple, but it is also to meet the needs of the believers, especially those who lack or who cannot take care of themselves whether temporarily or ongoingly. The early church had all things in common.

-It is necessary that church leaders bring fresh mana. And that the people can tell we have spent time with Jesus.

Acts 2:44-45, James 1:27
