True faith has
actions tied to
it.

-Solomon is transitioning as the
new king of Israel.

-He has also finished the first
temple of Jerusalem.

-He wants to make sure he has
God's attention and that he is
committed to serving Him.

2 Chronicles 16:9, 2 Chronicles 1:7,
10-12

Do not build
something that
God does not
inhabit.

-Solomon wants to make sure that
God is pleased with his efforts to build
a special dwelling place for his
presence.

-So he cries out to God for God to put
His stamp of approval on the temple.

-No matter what we have been called
to build we must ensure that God is
pleased with it, and will abide in it.

-That could be your marriage, career,
or a dream.

Psalm 127:1, 2 Chronicles 6:18-21,
28-31, 2 Chronicles 7:14-15

Get **His** Attention

When you get
his attention,
He pours out his
favor upon you.

-Just like a romantic relationship, God
likes it when we pursue Him.

-Like the Canaanite woman in
Matthew 15:21-28, we must be
persistent until He hears our cry and
meets our needs.

-Your pursuit moves His heart. If you
have His heart, His blessings will
overtake you.

A man with a beard and mustache, wearing a dark t-shirt, stands in a lush green forest. His arms are raised high in the air, palms facing up, and his head is tilted back, looking towards the sky. Sunlight filters through the dense foliage, creating a warm, golden glow around him. The background is filled with various types of green leaves and ferns.
