Honor is
giving God
your best.

-In middle eastern culture, honor is supremely important. Decisions are based on whether or not something is honoring or dishonoring. It is not so in our culture.

-Honor is from the heart. The honor that God is seeking is giving Him the best of us.

-To dishonor someone is to dishonor God, for they are made in His image.

Matthew 15:7, Malachi 2:10

We must honor
spiritual
leaders.

-This includes pastors,
teachers, evangelists, apostles,
prophets, elders, deacons,
administrators who are called,
and commissioned, and
recognized in the church.

-Spiritual leaders are men and
women God partners with by a
special "calling" or purpose and
who prove themselves faithful.

Hebrews 13:17

We must give
Double Honor to
those who preach
and teach.

-Those that minister the Gospel will receive "double the portion" in all areas of life from simple blessings to finances and overall favor.

-One of the main ways we bestow double honor is by taking care of them financially. This is mainly done by bringing our tithes and offerings.

-When we give leaders double honor from the heart, we open ourselves up to receive a mighty blessing of plenty, of increase, and overflow of "new wine".

Proverbs 3:7-10, Psalms 92:13
