We honor
leaders even
when they
are toxic.

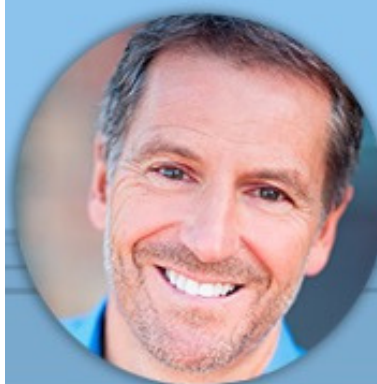

-This is a sin issue that is
compounded by our
culture. A culture of
entitlement, of dishonor,
lawlessness, and which
calls itself "woke".

-We are exhorted to
submit to all leaders,
even if they are harsh or
toxic.

1 Peter 3:9

Honoring Civil & Social Leaders

2

We honor
civil leaders.

-Rulers, kings, presidents,
governors, cabinet
members, congress,
mayors, city councils, etc.
They are God's servants.

-We must keep our mouths
and social media from evil.

-Honoring our civil leaders
gains us favor and excellent
reputation in the city, that
we may win many to the
Lord.

Acts 23:5

Honoring Civil & Social Leaders

3

We honor
social
leaders.

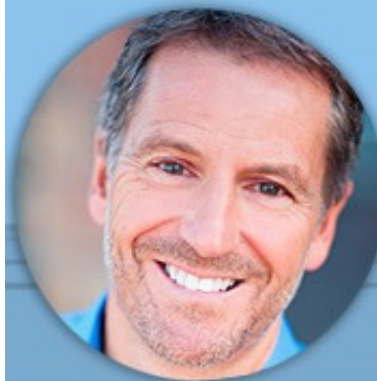

-This would include our employers, bosses, teachers, coaches, and so forth.

-Let as many as are employees, count their employers as worthy of honor, let as many as are students count their teachers as worthy of honor, or athletes should count their coaches as worthy of honor. If so, we build a platform for the Gospel, for the love of God.

1 Timothy 6:1
