

1

Everything God
does in us must
be tested.

- We have been called to steward His Kingdom.
- He wants to see how we do with what we have been given.
- Will you pass this test?

Daniel 1:11-14, Hebrews 11:6

2

Adverse conditions
do not stop you
from rising above
it.

-Nothing can keep you down but
you. God is for you but you have
a choice.

-If you cling to God during this
crisis, you will rise above it and
come out stronger, and
unscathed to the amazement
of many.

Daniel 1:15

3

Your promotion is
tied to how you
handle adverse
conditions.

-God's test will not last forever. The
current pandemic will end soon.

-What will it reveal? How did you
handle it?

-When you get to the other side of
this situation, you will remember this
crisis as something which prepared
you to manage a bigger "piece" of the
Kingdom He wanted to entrust you all
along.

Daniel 1:16-20
